SRE

Bangkok, 1st August 2012

Director of the Office of the Secretariat of the PRD,

I have the pleasure to make reference to the "**Call for Application for the Mexican Government Scholarship Program for Foreigners 2013**" announced by the Mexican Ministry of Foreign Affairs.

In this connection, I would like to inform you that the Government of Mexico through the Mexican Ministry of Foreign Affairs, has decided to offer scholarships for Thai nationals to conduct postgraduate studies and special programs in Mexico in 2013. All Thai citizens with adequate Spanish language level can submit their applications.

The special programs provide short-term scholarship for graduate researchers, visiting professors, experts, artists, press, etc. The submission period for these programs is until November 30th, 2012. In case of the Media Contributors Fellowships, this program is addressed to written and electronic media professionals from foreign countries, interested in learning about Mexico's contributions to scientific and cultural development, in order to reflect this in their respective media through articles, reports or interviews.

Enclosed herewith are electronic copies in English and Spanish of the scholarship's requirements, its benefits, as well as the terms and conditions. These details and more information are available on the Mexican Ministry of Foreign Affairs' (SRE) webpage:
www.amexcid.gob.mx/index.php/becas-y-cursos

In this regard, I appreciate very much your kind assistance to disseminate all this information to any members of your institution who might be interested in the mentioned Programs.

Yours faithfully,

Jorge Chen
Ambassador

Mr. Samoer NimNgern
Office of the Secretariat
The Government Public Relations Department
